OFFICIAL RULES

Description of Contest: This is a dart league player recruiting contest that awards prizes to winning JJVA league players that recruit qualified 'NEW' players into a J&J Ventures Amusements Player Reward Program Dart League. Player/Contestants must meet certain league play requirements in order to relate their league experience to potential recruits and to utilize tournament and league entry prizes. Player/Contestants can increase their likelihood of winning a prize by recruiting additional 'NEW' players as well as reaching certain recruiting milestones.

Contest Period: Contest runs from Aug 1, 2017 through 11:59 p.m. January 15, 2018

Winner determined by random draw of eligible entries to be held at the JJVA All League Dart Challenge on January 20, 2018 and **YOU DO NOT NEED TO BE PRESENT TO WIN any prize.**

How to enter: Every time you recruit a qualified 'New' player in the JJVA Dart League program during the contest period your name along with the name of your recruit will be held for possible entry into the Recruiting Contest drawing.

How to win: At the end of the contest period, for each qualified 'New' player that meets the eligibility and minimum play requirements in the JJVA Dart League program during the contest period, your name along with the name of the recruited player will be entered as a single entry into the pool of entries.

A drawing will be conducted at the JJVA All League Dart Challenge on January 20, 2018 to determine the prize winners. If selected, each name on the entry (recruiter and recruit) will be awarded the respective prizes listed.

New Player: Any player at least 21 years of age that has played less than 4 J&J Ventures Amusements, P.J. Amusements or Allied Games league matches of any type (pool or dart leagues including junior & remote) during the period from August 1, 2016 and July 31, 2017. To be counted as a **New Player** the **New Player** must complete at least 8 nights of J&J Ventures Amusements Player Reward Program League play in the JJVA dart league program

during the contest period. A **New Player** may only be counted as a **New Player** one time and by only one contestant regardless of whether the **New Player** competes in more than one league or not. A **New Player** that has already deemed to have been recruited by one player based upon the first or earliest verification form is ineligible to be recruited by another contestant regardless of that contestant's eligibility status or whether or not that contestant remains eligible by virtue of game play requirements, disqualification or any other reason. A contestant may not transfer credit for a **New Player** recruited by him or her to any other contestant for any reason.

Contestant Eligibility: Open to any J&J Ventures Amusements league player 21 years of age that completes at least 8 nights of league play during the contest period. A **New Player** can also be a 2017 League Builder Recruiting Contest contestant.

Ineligible: J&J Venture's employees, immediate family members (spouse, parents, siblings and children) or household members of employees are ineligible. Employees, agents and representatives (whether paid or unpaid) of a dart game manufacturer, distributor or operator or a competing dart league operator are ineligible. A contestant may not be an owner, manager, employee or representative of any JJVA dart league location. Additionally a contestant may not hold or be an applicant for an Illinois Video Gaming Location License or be an agent, manager, employee or representative for any person or entity that holds or has applied for an Illinois Video Gaming Location License.

Agreement to Official Rules: Participation in the contest constitutes full and unconditional agreement to and acceptance of the Official Rules and the decisions of the Sponsor, which are final and binding. Winning a prize is contingent upon being compliant with these Official Rules and fulfilling all other requirements set forth herein.

Verification: New players must indicate on the Verification Form the name of their recruiter and verify with their (the new player's) signature. Since **New Players** are required to play a minimum of 8 nights of league play, signed Verification Forms must be submitted by the recruiting contestant to the Sponsor as indicated on the form or photos/scanned images of the forms emailed. **Forms must be postmarked or emailed no later than 14 days after the signing or first night of league play of the New Player.** **New Players** may not be registered after December 31, 2017. Sponsor shall not be liable or responsible for any verification forms lost or delayed by the U.S Postal service or any other means of delivery. Verification forms should be submitted by mail to: League Operations; J&J Ventures Amusements; P.O. Box 1709; Effingham, IL 62401. Forms may also be submitted by email to leagues@JJVentures.com. Forms submitted by email should also use the 'read receipt' option.

No Purchase Necessary: You can be a recruiter or recruited player without having to play in a JJVA league. This can be accomplished by fulfilling the time obligations that are the same as a regular league player recruiter or new player recruit. Complete the League Builder Recruiting Contest sign-up form. In the section "Team Playing On" enter "Non-Player". Indicate the "League Name" that you wish to participate in as a non-player. Mail that form to us prior to the start of league scheduling as indicated on our website or Facebook page. You will be assigned to a team as a non-player. Follow that team's league schedule on-line and show up at the required number of league matches the same as a regular league player. For verification purposes, for each night of league attendance take a picture of yourself with both competing teams. Print and send a copy of the photo within 5 business days of the league play date by US Postal Service to J&J Ventures Amusements, Attn: League Builder Recruiting Contest, P.O. Box 1709, Effingham, IL 62401.

Winner Notification: Winners will be announced and posted on the Sponsor's website (<http://Leagues.JJVentures.com>).

Prizes: Prizes are not transferrable or exchangeable and cannot be redeemed for cash. If the Grand Prize winning contestant is unable to commit to take the travel prize by January 30, 2018 then the prize will be rescinded and may or may not be re-awarded at the sponsor's discretion. Winning contestants are responsible for any applicable state and federal taxes associated with winning a prize.
