

The Illinois Governor announced that all bars and restaurants shall be closed at the end of business or Midnight on Monday (3/16/20) by Executive Order. The closings will extend through at least 3/30/20. We are not in a position to speculate on the exact date that this Executive Order will be lifted.

All scheduled Illinois leagues and tournaments during this time frame will be postponed and rescheduled on a later date. Further updates to be posted on our facebook page - **J&J Ventures Amusements North Leagues.**
